

# Mounting Magnets

***Safer, Lighter, Stronger!***

**+1 (303) 468.0662 | [magswitch.com](http://magswitch.com)**

## MagMounts

Magswitch MagMounts allow for easy movement and placement of a tool. With a single On and Off lever, you have strong magnetic hold force at your disposal. The top of the tool is ready for mounting various accessories as needed!
